DEPUTATION TRAIL

Thank You Partners!

We truly appreciate each and everyone of our partners who give sacrificially to help us do what God has called us to do! With that we say a big thank you! We are moving forward through deputation and hope to see you soon!

BAPTISM IN JESUS' NAME

Souls saved during the hardest of times!

Recently, Nigeria experienced a cash crisis. Simply put, cash was not available. People who depend on making a small bit of cash for the day could not and therefore could not eat. Violence erupted. Many harsh circumstances evolved. But the through it all, souls are still being born into the church! Please keep Nigeria in your prayers!

CHURCH TO CHURCH

We only need a few PIM's!

Will you consider raising your monthly pledge to help us get back quicker?

If you want to help with projects we need Evangelism funds which helps us do what it takes to reach every tribe and tongue!
