**Rothe Roof Celebration - 3 Baptized!**

After ending a house service with prayer in their living room, my language teacher's daughter (14) wistfully spoke, "I would really like to have the Holy Ghost. I don't know when it will happen." I said we can definitely pray again! After a quick bible study, we prayed and she was joyfully speaking in tongues. What a beautiful sight and sound!

Your prayers are making a difference! The headquarters church has a new place to meet in a school in downtown Maseru! We are still searching for a property to build on.

Speaking of property, we are walking through an open door to purchase Bible School property! Pray with us for a smooth and complete process.

**We are so grateful for your partnership in reaching Lesotho!**
