## GOSPEL2GREECE

### Deputation is complete!

We are thrilled to announce that our deputation travels are over! We have reached our budget of PIMs and have finished raising our projects. God has been so good to us during our time in the US, and you, our faithful church family, have blessed us with your continued giving. **Thank each of you for sustaining us, for hosting us in your churches, for welcoming us into your church family, and for loving our family.**

*(Outbound Orientation day! UPCI WHQ - Looks like Isaac is the most excited of all!)*

We have now begun the tedious process to get our visas. We ask for your prayers for our favor with the Greek government. We also need God's help as we take care of the many things involved with our move, including selling the "Mighty High Bus," our motorhome that Isaac affectionately named. We drove over 76,000 miles through 30 states and 1 Canadian province over the course of this deputation!

We are so excited to be this close to getting back to what God is doing in Greece! We believe open doors of harvest await. Thank you for being a part of it!

May God continue to bless each of you and keep you!

**Everything is beautiful in His time!**
