

INDIAN OCEAN ISLANDS

THE WHOLE GOSPEL...TO THE WHOLE WORLD...BY THE WHOLE CHURCH.

AYC MAYOTTE

We were honored to host Apostolic Youth Corps in Mayotte. The nine young adults and two chaperones were a great blessing to this church plant. We renovated the church building, did prayer drives around the island, held a special service for the children, and had evangelistic services. There were five filled with the Spirit and two baptized. Praise the Lord for what He is doing in Mayotte! Please keep this work in your prayers.

AYC MADAGASCAR

We were blessed to host Apostolic Youth Corps in Madagascar also. Thank you, Youth Ministries of the UPCI, for this amazing ministry. We crammed a lot into the nine days this group of 43 spent on the island – ministry at local churches, participating in a Soccer Camp sponsored by CSI, attending a national Youth Conference, along with some sightseeing and fun. What an amazing time we had together! There was a total of 182 people filled with the Holy Spirit during these special services.

A.I.M. @ INDIAN OCEAN ISLANDS

Associates in Missions (A.I.M.) is a great ministry of Global Missions. This gives an opportunity for short-term partnership with a missionary, helping in various ministries and events. We are blessed to have Sister Lexi Morimanno and Sister Abby Rai with us for six months. They are working with Campus Ministry, Children's Ministry, and Youth Ministry on all of the Indian Ocean islands. For more information about short-term missions opportunities around the world, visit:
