TAKING IT TO THE STREETS

Churches have been focusing on evangelism, going out into the streets and market places, passing out tracts, witnessing, and preaching. On April 10th, in a unified effort, UPCSL congregations nationwide participated in concentrated street evangelism, sharing the wonderful message of baptism in Jesus name for the remission of sins!

BAPTISMS

The gospel is being preached, over the last few months many have been baptized in the precious name of Jesus!

Dear Friends & Partners in Missions,

We are thankful that after a challenging time with Rusty's health, he received a good report on his heart and clearance for travel. We are back on the deputation trail again! Thank you to everyone for all the calls, texts and prayer during this season. We are grateful for our home church and the very special people God placed in our lives during this time. We look forward with great anticipation to getting back to Africa and doing what God has called us to do!

Thank you again for your prayer and financial support!

Yours for the Kingdom,
