OPERATION NOAH

“But as the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, so And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.” (MATTHEW 24: 37-39)

God gave Noah an order: build an ark, for the judgment is coming. For 120 years, Noah preached to his generation, but the lives of men did not change. They lived as always – eating, drinking, marrying and giving in marriage. After 120 years, God told those who believed to enter the ark. There were few believers, only Noah and his family. It was God who closed the door, and no one could open it. It was too late.

The flood came and covered all the earth, and only those who were in the ark survived.

Our day is compared to the day of Noah, for the wickedness of our generation is great. There are many who mock God and His Word. Men eat, drink, marry, and give in marriage. God is largely forgotten in our society; the majority live for themselves despite multiple signs pointing to the soon coming of the Lord. Jesus' return is very near.

*“For nation shall rise against nation, and kingdom against kingdom; and there shall be famines, and pestilences, and earthquakes, in divers places.”
“And because iniquity shall abound, the love of many shall wax cold.” (Matthew 24: 7, 12)*

Dear Friends and Partners in Missions,

Each time we write to you, we are reminded of your love for God's work, for missions, and for us. Sharon and I join our voices with the thousands who have been saved in the Windward Islands and French Guiana in saying THANK YOU! Without your prayers and gifts, we could not stay ministering on the field.

Since our last PIM letter, many wonderful things have happened. We have enjoyed and rejoiced in the ministries of Pastor Buddy Jones, Pastor Robert Fazzalore, and Brother and Sister Bruce Howell, Director of Global Missions.

Many have been baptized in Jesus name and filled with the Holy Ghost. (The photo below was taken at a recent baptism in Fort-de-France - June 12, 2016.)

Barbados was blessed by a really great team of AYCCers lead by Brother and Sister Matthew Johnson.

Operation Noah is our new evangelic effort to take the Gospel to every village and neighborhood in the Windward Islands and French Guiana. So far we

have been able to start this evangelism program on the islands. We will need 500,000 tracts to accomplish our goal.
