Reaching the World thru the Filipino!

Leaders from around the globe came together for an awesome time of planning for the future with UPCPhilippines! The vision is to utilize people that the Lord has placed around the World.... TO REACH THE WORLD!

It was our honor to represent Global Missions along with the UPCP at several special meetings in the past few months.

- Regional Planning in Bali- a multi national collective of God's people making plans to further His Kingdom
- GATS - Bible Schools focusing on Bible Schools
- LDI - Department Leaders of the UPCP focusing on becoming better leaders
