

the PHILIPPINES

At the close of this year, we find ourselves reflecting on the things that have transpired and the accomplishments that were made. We find it all can be summarized as the blessings of the Lord! Where do we start counting His blessings?

God has blessed us with a wonderful family that is Kingdom minded & are all pursuing Him. The church God has allowed us to be part of is growing & moving forward. We are blessed with incredible Partners! We've had great health and the Lord has protected us many times from harm & danger. We have SO much to be thankful for. The Lord has given us so much more than we ever deserve.

Thank you for Partnering with us!
"Together, we Gather"

Blessings to you & yours,
