

David & Yonda Schwarz

Regional Director

CAC Region

1st Quarter—2022

Greetings to all our Partners in Missions!

God has given us a new year and it has been a busy one so far. Since January, my wife and I are now back to supervising just one region. Mike and Miriam Sponsler are now the new Regional Directors for South America. Yonda & I have our original region of Mexico, Caribbean Islands, Central America and three countries of South America (French Guiana, Guyana & Suriname). We enjoyed being the Regional Director for South American for three years. There is great revival in Latin America

This year I have been able to travel again. Yonda had a full knee replacement surgery in February so she has not traveled since then. I've had 27 flights, 9 covid tests, been in 7 countries, 2 missions conferences, a District Spanish Conference and a board meeting or two.

God is moving in a mighty way. There are great reports of weekly baptisms and people being filled with the Holy Ghost. Travel is very different and not as enjoyable as before, but it is so refreshing to see that the church is still strong and moving forward.

We have great missionaries, national leaders, and people in our churches.

It doesn't matter what this world faces or what happens in this world, the church is strong & will continue to fulfill the Great Commission.

THANK YOU FOR BEING A PARTNER WITH US!
