Global Campus Ministry

The past few months have been filled with equipping students on how to reach their colleges and universities for Christ. Our young people are the greatest tool for revival in our Apostolic movement. It is essential that we are TRAINING, EQUIPPING, and ENCOURAGING our students on how to reach the souls that are around them.

We recently teamed up with GCM Coordinators for Europe, Dennis and Amy Uecker, in Salamanca, Spain, for a student training seminar. They were accompanied by Bianca Baptista and Aurora Gonzalez, two dynamic ladies who were anointed in their ministry to the participants. Salamanca is a historic university center and one of the oldest universities in the world is located there.

Us, Pastor Soto and family, Ueckers, Aurora and Bianca.
