## 2023 REGIONAL CONFERENCES & BIBLE SCHOOL

*Ministering in the wind can be a challenge.*

*At times, the best seat is a tree!*

*Right:* Bible school classes are taught frequently. Iringa and Mwanza Bible schools each had 2 terms this year. Training men and women for the ministry is essential!

*Above:* During June, July and August, the UPC of Tanzania holds annual regional conferences. This year, hundreds experienced baptism, Holy Ghost infilling, demonic deliverance and healing. Regional conferences are also time for fellowship.

**It's like campmeeting!**

*Above:* During regional conferences, we spend many hours in seminars and outdoor crusades. We sit under a LOT of trees!

## SEVENTH DEPUTATION BEGINS FEBRUARY 2024

Below are the districts we will visit before General Conference in Long Beach, California. If you would like for us to visit your church, contact your district director. If we are not scheduled at your church, please come to the Africa booth at conference and visit with us.

- Louisiana
- Mississippi
- Tennessee
- Kentucky
- Ohio
- Michigan
- Indiana
- Arkansas
- Louisiana (Campmeeting)
- Texas
- North Texas

Visiting faithful partners, acquiring new Partners in Missions and ministering in the churches of these districts are marvelous ways to begin our **37<sup>th</sup> year** in missions. We always enjoy worshipping in churches in North America.

Thank you, both church and personal Partners, for your long-term faithful support!
