Homeward Bound

After only 3 months and 11 days of deputation, we are on

Our way home to Ireland. "THANKS I AM GLOBAL!"

For a bit of perspective on this:

A full 6 years of our initial 15 years of full-time missionary service were spent outside of the field of our call on deputation. And now, thanks to your faith, and sacrifice, The Strickland's will have been able to gather the harvest within Ireland & the U.K. 9 years and 9 months of the next 10 years. Now that is "full-time" missionary service.

THAT IS A "REAL" GAME CHANGER!
