(GATS) Assistant Global Coordinator**

Bible School Graduations

Congratulations to thirty Bible School graduates throughout the nation. Following two years of COVID challenges we are thankful to be getting back on track. In 2023 all twenty-nine of our Bible School locations will be open for in-person classes. We are excited to continue to train and equip students to reach the nation of Guatemala for Jesus Christ.

National Leadership

The national Executive Board visited our Children's Home.

Year-end fellowship with national UPCG President, Vice President and wives

Year-end retreat with the UPC of Guatemala Executive Board

Attending Global Council with UPCG President
