

UECKER UPDATE

We are extremely grateful for good health and that the Riga church family is able to meet in person again! As you can see, Elliott was especially thankful: He wanted to help Missionary Luke Havens lead one of the outdoor services and volunteered to cleanup after a house church service.

2020 RKR Summer and Fall sessions were cancelled due to travel restrictions, but thankfully we are continuing to supervise and work with the AIM teams to Poland and Moldova.

POLAND TEAM

Local restrictions in Warsaw have been lifted, which means Saturday night prayer meetings, Sunday services, new Bible studies and English Club have resumed. We are thankful that Paulita, Sara and Katelynn remained in Poland and continued services via Zoom during the 3 month quarantine period. We were able to visit them during a short time when there were no border restrictions between our countries. Thank you for your continued prayers for the AIM team in Poland!

MOLDOVA TEAM

Michael and Tia McBride were approved to serve in Moldova for a one year AIM term and establish a church in the capital city, Chisinau. Moldova's borders are still closed due to Covid, so they are in Kiev, Ukraine, and will travel to Chisinau as soon as the borders are re-opened. Thank you to the Mason family for hosting the McBrides as they continue their language studies and help the church in Kiev!

Thank you for your faithful support and prayers for us, the work in Latvia and all Northern Eurasia!
