GLOBAL CAMPUS MINISTRIES TRAINING SEMINAR SALAMANCA | SPAIN

In August we held a campus ministry training. It was a powerful time of training, prayer and services with Los Pentecostales de Salamanca church.

It was a privilege to minister in Salamanca along with the Showalters and AIMers, Bianca Baptiste and Aurora Gonzalez.

Special thanks Brother Monte and Sister Dianne Showalter (Global Campus Ministry Coordinators) for making time to attend this seminar.

Here a lady is testifying of being healed from chronic pain in her shoulders and leg. Thank you Jesus!

Miracle Building

God has provided a MIRACULOUS opportunity here in Barcelona which is the home base for our missions training at the RKR Global Training Center.

We are thankful for this opportunity to work alongside *Los Pentecostales de Barcelona* in this project and working to renovate the dorms for the training center's use!
