Paul & Darla Brochu

Winter 2022-'23

Dear Partners & Friends,

Since our return from deputation, we've installed Baron & Jen Carson as Lead Pastor at **Paris Centre Church** and have assumed the role of Senior Pastor. The Carsons came on board in 2018, serving initially as Assistant Pastor. These are very exciting days at PCC! A strong leadership team has been developed, City Groups (home cell groups) currently number eleven across Paris, and attendance is up 35%. For the past 2 months, Sunday attendance has consistently exceeded 100 people. Adequate meeting and operational facilities remain a problem and we invite you to pray with us regarding this need. Finding available facilities in Paris is a huge challenge. We need a miracle!

The Ministerial Body in Western Europe is growing! In the countries of Germany, Austria and Switzerland, 8 new ministers recently received Local License within the German-Speaking Nations!

In the 2022 Italian Gen'l. Conference, 7 pastoral couples were ordained in ministry.

There has been a very strong emphasis on prayer throughout the Europe Region over the past 3 years. Organized virtual prayer meetings gather hundreds of people together each month interceding for nations across Europe. Would you also join us?
