# Focus on France

## We Are Back!!!!

After a 6-month deputation in North America, we returned to France in February, fully funded for the next 4 years. This is thanks to our many Partners & Friends, to the many Wonderful Churches we visited and to the generosity of "I AM GLOBAL." Thank you all for sending us back to the field in record time.

## National Convention

The weekend of Pentecost, our National Convention was held in Arras with over 600 in attendance. There was a great anointing upon these meetings and upward of 15 people were filled with the Holy Ghost.

## 10 Years at Paris Centre

Paris Centre Church celebrated its 10th anniversary in April. We took a moment to honor our past and we declared revival in Paris with great anticipation for the future.

## A very special baptism in Châtelleraut

William began attending service with his family when he was just a boy. He resurfaced after obtaining his driver's license and became active both at church and with the youth there. He received the Holy Ghost and was baptized by Pastor Mike Long on Pentecost Sunday 2022. We are so proud and grateful for what God is doing in this young man's life.
