Prayer Requests

1. God keep us safe and in good health as we travel
2. Dynamic and powerful services
3. PIM & Project support
4. Jaylon-homeschooling on the road
5. Accomplish everything needed while in the U.S.

The past few months (Sept-Dec) have flown by as we traveled 10,000 miles through five states. We've been blessed to see old friends and make many new ones. God has also blessed us with powerful, life changing services. People have received the gift of the Holy Ghost, miracles and have been mightily blessed. We 'THANK' each pastor who's had us in service, hosted us, allowed us to stay in your EQ/hotel, been so gracious and kind, and supported us with new PIM & Project support. We also 'THANK' our existing partners for your faithfulness in giving. We appreciate every time you mention our names in prayer. We reflect on you during this season and pray for you daily.
