**We are thankful for our AIM Families: Bro and Sis Gray and their three boys and the work they did in starting a church in Palapye, Botswana.**

**Bro and Sis Sheppard and newly arrived Bro Curly Ellis. It was a pleasure for Sis Sharon Ikerd to be with us for a short time.**

For 12 years we have not been able to get a visa for someone to live in Zimbabwe and do missionary work. Bro & Sis Sheppard found out that they did get approval for a one-year visa, but we were not told until six months had already passed and paid an extra \$500. Now that year is coming to an end were asking for another year extension. They have paid their thousand-dollar fee. Please pray that they will extend their visas.

**Our special project for today:**  
 We have the opportunity to purchase 10 hectares in the village of Mahalapye for a campground. We need \$10,000 more. We can buy it for half of what it's worth. If 10 churches or individuals could give \$1,000 a piece, this will enable us not to lose on this opportunity.  
 Church land is the project.  
 Our account number is 820
