# FONZELL & VANENCIA MARSH

## ASIA MILITARY MINISTRIES

### HIGHLIGHTS OF THIS ISSUE:

- **Four young Marines filled with the Holy Ghost**
- **Ghost Prodigals coming home**
- **Outreach in “American Village”**
- **AYC group to Japan visits the FUPC**

## THE HOLY GHOST IS FALLING AMONG THE MILITARY!

### “A New Name Written Down in Glory”

Jesus said in Matthew 9:37 that the “..harvest is plenteous,” and indeed it is! We are excited and rejoice with the four young Marines who all received the Holy Ghost at the FUPC! All four of them were invited by a young Marine in their same unit - our witness is powerful!

Starting from left with the pictures at the bottom, ODany received the Holy Ghost the week after Easter, followed by Rodney on Pentecost Sunday, then Max the next week, and lastly Steven on the following Sunday, who not only had two weeks left on Okinawa before returning to the US, but he received the Holy Ghost during the altar call when no one was touching him!!

To God Be The Glory!

## GROWING IN THE WORD!

In the picture above, Associate Missionary Tyeshia leads a Search For Truth Bible study one Sunday evening for those hungry to grow in the Word! There are also those joining virtually from Italy, South Korea, and Mainland Japan! It is also a training ground as these students will learn to teach this Bible study so they can give one to someone else one day!

The pictures below show the church engaged in outreach in American village; on Easter Sunday, a young man comes and is renewed in the Spirit, a young Marine who had lost his way finds love from his brethren as they pray for him, and the incredible moment that the Spirit of God touches a life!

## AYC GROUP VISITS THE FUPC!

**“The Zeal of thine house...”**

Associate Missionary Tyeshia hosted a group of young ladies from the larger AYC group here for a ten-day intense mission trip. Accompanied by Brother and Sister Harris as chaperones, these young ladies were a blessing - some helped in Sunday school, sang during worship, and used their gift of photography throughout the service. What a wonderful opportunity to show these young people what it's like on the mission field first-hand!

**THANK YOU TO ALL OUR PARTNERS FOR YOUR CONTINUED PRAYERS AND SUPPORT!**
