2017 PK RETREAT

53 PK's were present. Many were changed and will never be the same. Pastor Ryan Crossley preached and taught with an awesome anointing. We would like to thank a group of pastors that helped by sponsoring this event. To those who gave we say, THANK YOU you're money was well invested. They are putting into practice things that they learned and received. You have helped to change their lives and their futures.

Because you have prayed and given, the Lord has made it possible for us to send you this report. Please continue to help us pray for greater revival in the Dominican Republic! THANK YOU FOR YOUR GIVING!
