A Paz do Senhor!

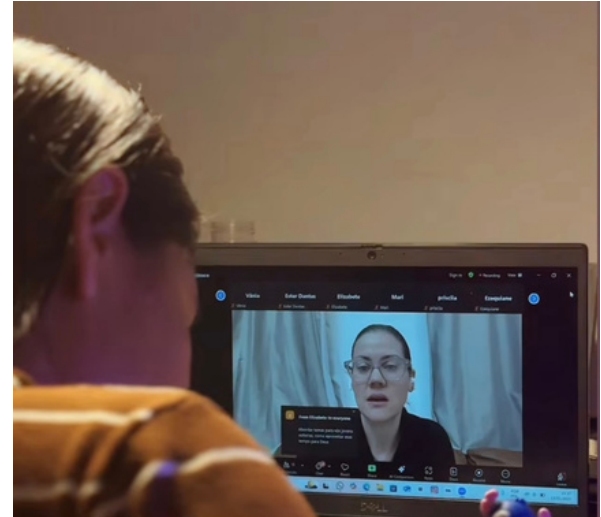

Since our last newsletter we have had a lot of family time together and had a very special Christmas season and New Year's! We hope you did as well!

Tiffany has recently started biweekly Zoom calls with young ladies from all across Brazil as a branch of the national Ladies department. This ministry is called "Daughters of Sarah" (Filhas de Sara) and is meant to help encourage young ladies in the Word and teach about topics relevant to their lives. Please keep this ministry in your prayers! There are many young ladies hungry for more of the Word!

Aaron made a trip to St. Louis, MO, for annual Global Education Committee meetings as a representative for GATS (Global Association of Theological Studies). Aaron also made a trip to Montevideo, Uruguay, for their first faculty training seminar. Over 15 Bible school teachers were present, and God moved in a special way! Bible schools are such an important part of church growth and sustaining that growth around the world! We are thankful to be a part!

We are thankful for your support and prayers! God bless!
