Biography

Corey and Dawn attended Gateway College of Evangelism. They were married in 2004 and returned to South Carolina in 2006 to assist Corey's father in their home church for over seven years. They then pastored a church in Franklin, North Carolina for four years before God called them into Global Missions. They began their missions journey as AIMers to the country of Spain in July 2017. They lived in Madrid and pastored the English church under missionaries Ken and Kay Burgess. In September

2018, they were appointed as Associate Missionaries. The Beebes moved to northeastern Spain so that they could cross into the Principality of Andorra to pioneer the first UPCI work in that country. While there they saw God do many great things. They established a weekly service and Bible study in the capital city of Andorra la Vella. They have seen several receive the Holy Ghost and (as far as they know) baptized the first people ever in Jesus' name in that nation! They were appointed Intermediate Missionaries in March 2020. Their field changed to Malta in September 2023, and they are committed to serving this beautiful harvest field with their two children, Natalie and Logan.
