

# Thad and EmmaLee BENSON Benin

## GLOBAL MISSIONS SERVICE

Thad Benson grew up on the mission field as an MK in Madagascar, Togo, and Benin before returning to the States to attend Indiana Bible College, where he received his degree. During this time at IBC, he also became an ALMer to Benin for three months. EmmaLee went on an AYC trip to Costa Rica, and then on the Next Steps program to Paraguay. Upon returning, she attended and received her degree from Indiana Bible College. After graduating, she spent four months on AIM in Ghana. Afterward, she returned to the States and she and Thad were married. They were once again approved as ALMers, and eventually Associate Missionaries, to Benin, West Africa. While in Benin, they assisted in the Bible school by helping with office duties and teaching English classes. Thad preached in the churches and EmmaLee taught Sunday school. They were appointed Intermediate Missionaries in May 2024, and look forward to returning to Benin to help further the Kingdom of God by teaching, training, and equipping the people of Benin.
