

Luke and Samantha **CAMPBELL** *Guatemala*

GLOBAL MISSIONS SERVICE

Luke and Samantha Campbell served three and a half years in the country of Guatemala on the AIM program. The Campbells received their missionary appointment to Costa Rica in 2016. Arriving in San José in 2018, they immediately got involved in ministry. In Costa Rica, Luke and Samantha preached and ministered on a weekly basis, worked with the National Board to ensure the needs of the work were fulfilled, preached seminars, and were heavily involved in new church construction projects. Now returning to Guatemala, they will be helping with national work, teams, and construction projects, and will assist in Bible schools across the country, as well as the orphanage, H.O.M.E. International. Luke and Samantha will also be working on Campus Ministries as Luke is the Global Campus Ministries Coordinator for Central America and the Caribbean.
