

LES AND LAURA CLEVENGER JAPAN

GLOBAL MISSIONS SERVICE

From an early age, Les Clevenger felt called to be a missionary to the country of Japan, where he was born. He met Laura, who also felt called to missions, while attending Gateway College of Evangelism. They were married in 2001 and arrived in Okinawa on May 4, 2006. They served twelve years on AIM and AMP programs teaching, pastoring, administrating Bible school campuses, serving on the General Board, and being General Superintendent of Japan UPC and National Coordinator for Bible school campuses throughout Japan. Laura started a Christian school and served as a teacher and principal from 2007 to 2015. They moved to the Island of Kyushu in 2015 to pioneer a church. They have seen exponential growth in leaders, ministers, daughter works, preaching points, and churches while serving in Japan. They have a clear vision to see a church established in every community and a Bible school in each of the forty-seven prefectures in Japan. Their passion is equipping, empowering, and sending national ministers to fulfill their God-given potential into the Lord's Harvest.
