GLOBAL MISSIONS SERVICE

James and Elizabeth Corbin have served as missionaries in Bangladesh for over thirty-two years. What began with six people in an apartment has now grown to well over 50,000 constituents, 120+ churches, and a powerful and anointed ministry team all over Bangladesh. The Corbins have been instrumental in establishing the United Pentecostal Church of Bangladesh, the Rev. Guy E. Roam Memorial School of Evangelism, and recruiting other missionaries to minister throughout Bangladesh and Asia. The Corbins are visionary missionaries and leaders to the nation of Bangladesh and are helping lead the church into a one million soul revival in Jesus' name.
