- hospitality ministry

Biography

James and Elizabeth Corbin have served as missionaries in Bangladesh for over twenty-five years. What began with six people in an apartment has now grown to well over 55,000 constituents, 145 churches, preaching points, and trained ministers taking the gospel of Jesus Christ all over the nation of Bangladesh. The Corbins, with the help of the Lord and a tremendous team of national ministers, were blessed to pioneer the work of the Lord in Bangladesh. They have been used by God for ministry training,

church planting, evangelism, and establishing a Bible school in Bangladesh. James Corbin has ministered in the gift of faith, healing, and miracles in Jesus' name. Together with the ministerial leadership in Bangladesh, they are seeing God's promise of "A Million Soul Revival" being fulfilled.
