MICRONESIA: CELEBRATING 43 YEARS OF THE GOSPEL

Palau | The Micronesias | The Marianas | Guam | The Marshalls

Northern Marianas

WE NEED A CHURCH THERE!

Please pray for a minister of the Gospel to feel the call to revive a work that was established there in the 1980s and 1990s.

Marshall Islands

WE NEED A CHURCH THERE!

Please cover Brother **Abraham Toubé** with prayer. Under a worker's visa, he's employed in Majuro and conducting occasional Bible studies and services in his home.

Guam

NEED MORE CHURCHES THERE!

With the current population of about 170,000 only two of the island's **nineteen** villages possess Apostolic churches. We need revival on Guam!

States of Micronesia

NEED A CHURCH ON YAP!

F. S. of Micronesia possesses four states: Pohnpei, Kosrae, Chuuk and Yap. Yap has no minister to share the Gospel. Lost souls need the Truth of the Word on Yap, FSM!

United Pentecostal Church-Micronesia General Conference 2024

FOR the first time since 2019, no pandemic or pandemic-related travel restrictions and no super typhoon— nothing! prevented every UPCM licensed minister and pastor from convening for our conference held on Guam. Our daytime teacher, Pastor **Mark Parker** (*Oklahoma City, USA*) came early to teach *S.A.L.T. I* to our ministers and wives (*Strategic Apostolic Leadership Training*), and our conference evangelist was Rev. **Bryan Abernathy** (*Global Missions Director of Promotion*). The fellowship was sweet, and five received the Holy Ghost!

Micronesia Bible Institute (MBI-GATS) is nearing completion of the certification stage! Launched in February 2023, MBI will promote its first students later this year on three campuses: Palau, Guam, and Pohnpei State in FSM.

Thank you for praying for us! Thank you for giving!
