BRAZIL

Global Harvest Crusade 2023: 25,000+ people, each service, gathered at the Arena of Amazonas in Manaus, Brazil, August 26-27. It was the largest gathering that has ever happened in our church in Brazil. People came by boat from the jungles of the Amazon, some traveling for two days to get there. Many came expecting a miracle, a touch from God, and the Lord honored their sacrifice! Hundreds were baptized in Jesus name, 12,000 thousand received the Holy Ghost, and 6,000 miraculous healings! Praise the Lord!

Recently a pastor and his wife from Madagascar relocated to Seychelles to assist in the work there. There have been almost ten people baptized since their arrival.

MONTHLY PROJECT HIGHLIGHTS

RICE FOR CAMBODIA

PROJECT #: GMPD_2025_2505

One of the greatest blessings to the church in Cambodia is the rice program for pastors. We discovered that one bag of rice is sufficient to feed a pastor and his family for a month! Right now we assist twenty-nine Cambodian pastors and their families. Each bag of rice costs just \$24.00 a month. You can provide rice for all twenty-nine families at a cost of \$696.00 per month or \$8,352.00 for an entire year! This has made a positive impact on the work, especially as many of these pastors have recently come into the truth and have been baptized and received the Holy Ghost!
