February 2023

## Brazil

Since our previous newsletter, Aaron has made two trips to Ecuador. One of the trips was to preach at their national conference and the other was for their GATS seminar. Over 15,000 were estimated to be in attendance with many healings, baptisms, and infillings of the Holy Ghost! We later hosted Apostolic Youth Corps and were so thankful that three of our members were baptized in Jesus' name while they were here!

## Finland

Six more have received the Holy Ghost since our last newsletter, bringing the total to twelve so far in 2022! We give God glory for it all! On December 4, we held our second service in Ostrobothnia. Some would have been discouraged to have just three in attendance but by the end of our time together, one had received the Holy Ghost and two were baptized! The saints there are excited and actively witnessing to their friends and inviting them to attend our services! Many conversations about the Holy Ghost have caused others to be interested. Our testimonies will awaken a longing in others!

## Dominican Republic

We're excited to share that over 300 people have received the Holy Ghost this year in Pentecost Crusades around the country! In the regional conference in Santo Domingo, twenty-three people came forward to be baptized in Jesus' name! There was no baptismal tank at the rented facility, but the Lord opened a door for us to baptize in the swimming

Regardless of location, nothing can hinder accomplishing the work of the Lord. We rejoice with the twenty-three individuals who were washed in the blood of Jesus for the remission of their sins!

*"And as they went on their way, they came unto a certain water: and the eunuch said, See, here is water; what doth hinder me to be baptized?"*
