Greece

There are about 3,154,000 souls here in the Athens' area. We are united to reach the lost and bring hope to the city. In September, we had our annual All Nation's Conference. It was an honor to have the Grandquists and the Cornejos minister as the churches in the Athens' area joined together in unity to see revival. What an amazing time we had with a total of twenty-three people receiving the Holy Ghost and two being baptized. We rejoice for this victory! Two of the ladies from church were walking and noticed a lady not far from them. They invited her to church and not only did she come, but she has brought ten people to church and two of them have been baptized in Jesus Name and filled with the Holy Ghost.

Guinea. In 2022 forty-four people were filled with the baptism of the Holy Ghost and thirty-nine people were baptized in the only saving name of Jesus Christ! Six students completed the Certificate level of the G.A.T.S. Bible School training program. What a blessed year we experienced! In October, we held Guinea's National Conference. There were over 100 people in attendance with seventeen people receiving the Holy Ghost! Also during the National Conference, Logan was named Guinea's new Superintendent by our former Superintendent, Reverend Stephen Benda and our Regional Director, Reverend Randy Adams. We pray that God will use us in a mighty way!

ministers. This teaching of the Word resulted in two families becoming believers! From that, four people from the two families asked to be baptized in the name of Jesus right away!

Japan

We have been greatly blessed to have the Fallon family as AIMers along with AIMers Jamie Davis, and Timothy Kendall here with us. They are currently taking basic Japanese language classes! Additionally, much effort is being made towards evangelism with the neighborhood youth! Already we see them spending nearly every afternoon just hanging out at the church and having fellowship. Some have been attending Sunday services and are getting saved! We were able to host a Southern Region conference in Okinawa Japan. We're blessed to finally be able to gather together again!

Monthly Project Highlights

BIBLE SCHOOL DAMAGE IN MOZAMBIQUE

The Bible school building in the city of Gondola, Mozambique was seriously damaged by a cyclone earlier this year and needs repairing. The estimated cost is \$22,000.

Project #: GMGP.1180.2202

BARBADOS CONSTRUCTION

In Barbados the restrictions of COVID has all but stopped the construction of the new building that would seat 250 people. So many people have lost their jobs. But \$3000 could help them on the project.
