GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD

APRIL 2024

RIO DE JANEIRO / MALTA / JAPAN

IVANA NORRIS

RIO DE JANEIRO

I was so excited to baptize those kids in Jesus Name. Their family is involved in drug trafficking and their brother has killed several people. They asked to be baptized.

Malta is a small island, only seventeen miles long by nine miles wide! But it is a very international island with a population of over half a million people and growing! In the past six months, we've had the privilege of baptizing people from China, India, Colombia, and England. God is moving in Malta! Above: Our previous location packed out and overflowing into the hallway. Below: Our new church location.

JASON AND CORI LUCAS

JAPAN

Greetings from Tokyo! We are rejoicing with Anjali, who was recently baptized in Jesus' Name. Last September, Anjali found our church online and visited our international service. It wasn't long before God filled her with the Holy Ghost.

MONTHLY PROJECT HIGHLIGHTS

THE CHURCH IN BATU 7, TAPAH, PERAK

PROJECT #: GMPD.5070.2102

The location of this church building is in the mountains of the indigenous people. The land was given to the church by a native family and the building was financed by a group of Koreans. It was built in 2016. About 45 people worship regularly in the sanctuary led by a full time Pastor from their own community. The building is also regularly used by the neighboring villages whenever they have combined services. The congregation is comprised of very poor people who work their land for food. As seen in the photos, the church is falling apart and it is getting more and more difficult to use. Urgent repairs need to be done to salvage the building immediately:

- Need to prop up the building with earth poured at the foundation
- The cracks on the walls and floor need to be repaired
- The entire roof has to be changed. Much water comes into the building when it rains.
- The electric wires need to be replaced as they are old.

BAHAMAS

PROJECT #: GMPD.3020.2401

We are trying to raise funds for a 2-year-old or less van. Our current church van is about as close to its demise as it can get. We only need about \$5k - \$10k to put us within the ballpark. We currently have \$5k
