GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD.

OCTOBER 2023

GREECE / INDIAN OCEAN ISLANDS / DOMINICAN REPUBLIC AND LEEWARD ISLANDS

## JOSHUA AND CHRISTINE MORENO

 GREECE

The seeds we plant may at times take a while to produce fruit, but we keep planting anyway. The Crossroads Church in Athens had their annual VBS with a total of twelve receiving the Holy Ghost for the first time and two being baptized in the name of Jesus! We rejoice over two families that have begun to attend the church. We believe in making investments into the future generations.

We were honored to host Apostolic Youth Corps in Mayotte. The nine young adults and two chaperones were a great blessing to this church plant. We renovated the church building, did prayer drives around the island, held a special service for the children and had evangelistic services. There were five filled with the Spirit and two baptized. Praise the Lord for what He is doing in Mayotte! Please keep this work in your prayers.

## CHRIS AND PAULA RICHARDSON

INDIAN OCEAN ISLANDS 

## STEVE AND KARI SHIRLEY

 DOMINICAN REPUBLIC AND LEEWARD ISLANDS

Dominican National Convention - We were honored to have as our guest speaker the President of the UPC of El Salvador, Ricardo Mendoza, and his wife, Lilian. His ministry was a tremendous blessing and twenty-six were filled with the Holy Ghost! Even the stifling heat didn't stop the exuberant worship!

# MONTHLY PROJECT HIGHLIGHTS

## LAND PURCHASE IN CAMEROON

PROJECT #: GMPD\_1050\_2107

The local church in Cameroon is currently renting a burned-out building for services. It has no windows and is taken over by drug users when church is not being held. The need is to purchase a piece of land and build a small building. Below is the burned out building being rented. The majority of the building does not have a roof but they meet in a small covered area. The church congregation would greatly benefit from a building of their own. The estimate to purchase land is \$14,500.00.

## MYANMAR BIBLE SCHOOL NEEDS

WIRING AND LIGHTING - \$5,000

PROJECT #: GMPD\_2090\_2202

PROJECT #: GMPD\_2090\_2206

4 Air Conditioners - \$3,200

Project #: GMPD\_2090\_2204

Apostolic Christian Bible College in the country of Myanmar is completing a five story building which was mostly built during the Covid pandemic. This is truly a miracle as hospitals and banks were shut down for long periods of time. The Bible school is in full operation, but there are some items still needed right away for the application process at the Municipal Department of Yangon to receive a certificate of completion.
