

God is opening doors for the church to affect this nation.

Due to recent national troubles, the president has been reaching out for answers. The door has opened for the Gospel, and we are blessed to have been able to hold a Bible study and prayer time with the president and first lady. This door is still open, and we seek prayer support for the future.

🇻🇺 GOD IS DOING GREAT THINGS 🇻🇺 🙏

Photo Left is a daughter work/developing church. We were blessed to minister there last month --- SEVEN of their hyphen aged youth are in Bible school. The pastor said it has turned his church around and given them such vision and faith. KEEP our BIBLE SCHOOLS in prayer, as always, THEY ARE A KEY TO TRAINING THE CURRENT AND FUTURE LEADERS! 🎓📖 🙏

GO ... TEACH ALL NATIONS... We have been blessed to see the church in Vanuatu reach out beyond its borders and start to re-exercise a vision for the whole world.

We have visited **Tasmania** where UPC Australia wants to establish a new church. GOD HAS OPENED DOORS in this ISALND STATE of 560 000 people where there is NO APOSTOLIC CHURCH.

THANK YOU ALL For PRAYERS and SUPPORT. God Bless U!
