

Nathan and Tanya **HARROD** Regional Director of Europe

GLOBAL MISSIONS SERVICE

The Harrod family has been involved in missions for over twenty years, with nineteen of those years spent in Spain. They pastored the Pentecostals of Barcelona and worked together to plant thirteen daughter churches. Nathan was elected the General Superintendent of the United Pentecostal Church of Spain in 2017, overseeing "Vision 2020", which doubled the number of churches in Spain from forty-seven to ninety-four in five years. After serving five years as the Superintendent of Spain, Nathan was appointed Regional Director of Europe. The Harrods continue their service in Global Missions by traveling monthly throughout the region, casting vision, leading, and recruiting missionaries for the continent of Europe.
