The Harrod family has been involved in missions for over twenty years, with nineteen of those years spent in Spain. They began pastoring the Pentecostals of

Barcelona in downtown Barcelona at the age of twenty-two, while on the Associates In Missions program. They also started two daughter churches. The Harrods were fully appointed in 2006 and continued to pastor in Barcelona while working to plant ten other daughter churches. The Pentecostals of Barcelona now have thirteen daughter churches and are not stopping there.

Nathan has served as the coordinator of the Bible school in Barcelona, and both he and Tanya have served in many levels of national leadership throughout the years in the nation of Spain. Nathan was elected General Superintendent of the United Pentecostal Church of Spain in 2017. While serving as General Superintendent, he oversaw "Vision 2020", which doubled the number of churches in Spain from forty-seven to ninety-four in just five years. Today, Spain's fellowship consists of over one hundred churches & over 10,000 constituents. After serving for five years as the Superintendent of Spain, Nathan was appointed Regional Director of Europe. The Harrods, along with their two children Alaina & Lincoln, travel monthly throughout the region as they continue their service in Global Missions casting vision, leading, and recruiting missionaries for the continent of Europe.
