Biography

The Hosmers, products of Global Missions, were both saved in 1992. While serving on active duty with the U.S. Air Force in Japan, Ed Hosmer and his wife Naomi were under the ministry of Paul Dennis. Overwhelmed by a strong calling to reach the Japanese people with the gospel and a specific mandate to evangelize Japan, Brother Hosmer made a significant sacrifice by leaving behind a promising law enforcement career and separating from the military. Ed and Naomi pursued their calling by becoming AIMers in 1995 and were appointed Career Missionaries to Japan and the Ryukyu Islands in 2002, where they have been actively involved with Global Missions for over three decades and are currently overseeing one of the fastest-growing United

Pentecostal Churches in Japan. Bro. Hosmer holds several important positions, including serving on the Japan National General Board as the Southern Regional Director, the Global Student Ministries Regional Coordinator for Asia, and the Leadership Development International Coordinator for Asia. The Hosmer's primary focus areas are evangelism, discipleship, and leadership development. For more information, please visit www.edwardhosmer.com.
