HONDURAS

SCOTT AND LINDA GUINN

The National Convention in Honduras came together nationally for the first time in seven years. They reported 275 received the Holy Ghost and many received miracles.

NAMIBIA

JC AND DARLENE MAGALLANES

We visited a remote village in Omuthiya for the first time where approximately fifty people gathered. Saturday was focused on teaching about the Plan of Salvation and on Sunday, eleven people were baptized!

BANGLADESH

FRANCES DAY

New fields opening throughout Bangladesh! Forty non-Apostolic ministers from new areas came to our Minister's Training Seminar. The plan of salvation and the Oneness of God was taught. Twenty-five were baptized with the Holy Ghost and two were water baptized in Jesus' name!

BRAZIL

AARON AND TIFFANY ANDERSON

This past quarter Bro. Anderson had the great honor to be at the CEIA conference in Manaus with Bro. James Stark and team. God did incredible things, and many received the Holy Spirit and testified of miracles that took place. To God be the glory!

MONTHLY PROJECT HIGHLIGHTS

PROJECT WARSAW, POLAND - EUROPE REGION

We are excited to present to you a special project for the country of Poland. Our church is presently meeting in an apartment and a hotel conference room. We are in desperate need of a church building in this city of 2 million people. We currently have multiple meetings weekly and have an average of 13-17 each week. Sometimes there are 25-30 in attendance. We appeal to you to help us get our United Pentecostal Church in our own place in Warsaw, Poland. Project Warsaw - Requesting Amount **\$40,000**.

PROJECT #: GMGP.4280.2101

PACIFIC REGION - BRUNEI

The need that we have in Brunei is the rental of two of our church properties. The third one is helped through the church in Singapore. One of these is the new church plant we opened in February and it's doing quite well. The monthly cost is \$1,250 so \$5,000 would take care of 4 months rental on both these properties. **\$7,500** would take care of 6 months rental.
