GLOBAL MISSIONS SERVICE

David and Alice Kline participated in the Associates In Missions program to Zambia and Zimbabwe in 1994. Their work led to over 200 people receiving the Holy Ghost and the establishment of ten new churches. They continued their work in Zimbabwe from 1997 to 1999, witnessing twenty congregations being baptized and filled with the Holy Ghost. In 1999, they moved to Lesotho, South Africa, where they helped develop the work with the establishment of six churches, four outreaches, and more than 1,500 saints baptized in Jesus' name and filled with the Holy Ghost. In 2018, the Klins relocated to the Leeward Islands where they have encouraged and baptized many new souls and established a new church on St. Thomas USVI. Their primary focus is to equip, train, and send messengers to share the gospel through teaching and preaching the Acts 2:38 message.
