# MERRITT

## Portugal

# GLOBAL MISSIONS SERVICE

Stephen felt called to become a missionary at fourteen. He graduated from Gateway College of Evangelism in 2008 and served as an AIMer in Austria before transferring to Samoa to become a Bible school teacher. In 2014, he was appointed Associate Missionary to New Zealand and later became the National Youth President. In 2024, Stephen and Angelica's appointment changed to Career Missionary to Portugal. Their vision for the nation of Portugal is to work alongside the national churches, assisting them with local church growth and church structure, and to implement a strategy for regional church and ministerial multiplication through training and discipleship. Their ultimate vision is to build a team of Apostolic men and women with a burden and vision for Apostolic revival locally, nationally, regionally, and ultimately, globally.
