

# RICK AND STACEY PERRY BOTSWANA

## GLOBAL MISSIONS SERVICE

Rick and Stacey Perry worked with Stacey's parents in Botswana, Africa for many years to help establish and grow the Learning Centre School and the United Pentecostal Church of Botswana. Eventually, God called them and their family to New Haven, CT to establish Haven of Hope with the Metro-Missions program. They both served the region as vice-chair of the WinterFire Conference. The Perrys are now returning to Botswana, Africa as fully appointed Intermediate Missionaries, leaving a first-generation apostolic couple to pastor the church plant in New Haven, Connecticut.
