

STEVE AND YVETTE PHELPS NIGERIA/UGANDA

GLOBAL MISSIONS SERVICE

Steve and Yvette Phelps have always had a love for missions, specifically in African nations. Their first missionary appointment was to Uganda in 2011, where they opened the nation's first Bible school in 2014. The following year their field of appointment changed to Nigeria, where they also started a Bible school. Steve serves as the West Africa GATS Representative, and both he and Yvette are passionate about teaching in Bible schools and building team leaders. The Phelps love traveling throughout the nations of West Africa to facilitate instructor training seminars. Currently, they are pastoring a church in Lagos, Nigeria and partnering with the nationals. Uganda was officially added to their Career Missionary appointment in September of 2024.
