

MICHAEL AND IVONNE WALMER BRAZIL

GLOBAL MISSIONS SERVICE

Michael Walmer accompanied his missionary parents to Brazil, where he began his ministry as a youth leader in 1979. He married Ivonne, from the country of Uruguay, in 1984 and founded a church in Rio Grande. He served as a pastor for four years in Novo Hamburgo. After serving eight years as Associate Missionaries, they returned to the USA in 1990 to attend Christian Life College in Stockton, CA. In 1992, they became Career Missionaries to Brazil. The Walmers were dually appointed to Uruguay and pastored, taught, and mentored leadership in both countries. In 2021, they changed their appointment to work exclusively in Brazil, teaching through the GATS faculty seminars in all twenty-seven districts where there are over 100 Bible schools established. The Walmers have been UPCI missionaries for forty years.
